**What is From Our Hearts?**---From Our Hearts is a 501(c)(3) charity that began with a simple request by a son to his mother for a few handcrafted cards that he could send home to his wife and children for special occasions while he was serving his 6th deployment in Iraq. Today, that initial dozen has turned into tens of thousands of quality, handcrafted cards created by hundreds of stampers, crafters and volunteers nationwide and donated to From Our Hearts. Currently over 30 boxes of cards (250-300 cards in each box) are shipped to the men and women serving our country in Iraq and Afghanistan. For more information, please see the website: [www.fromourhearts.info](http://www.fromourhearts.info).
